

Organiser, Iain Ambler

Big thank you to all of you helping today and for making our event today successful. The competitors that I spoke to had all enjoyed their outings. You all made the organiser's job super easy. Well done to Tony for a well planned set of courses making the most of the beautiful rolling parklands, and thanks to Graham for controlling.

Finally how nice to return to Warlies Park House after 2 eventful years – it looked stunning under a largely blue sky and swathed in red and white tapes. !

Planner, Tony Maycraft

Also a big thank you and well done to Iain for organising for the first time.
